4**EXHIBIT C****Special Stipulations**

The Special Stipulations set forth herein are hereby incorporated into the body of the lease to which these Special Stipulations are attached (the "Lease"), and to the extent of any conflict between these Special Stipulations and the preceding language, these Special Stipulations shall govern and control.

1. **SNDA.** Simultaneously with the execution of this Lease, Landlord and Tenant shall execute a Subordination, Non-Disturbance and Attornment Agreement in the form attached hereto as Exhibit "F". Notwithstanding anything to the contrary contained in Section 24 of this Lease, this Lease and all rights of Tenant hereunder are and shall be subject and subordinate to the lien and security title of any Mortgage created after the Lease Date provided that the holder of said Mortgage agrees not to disturb Tenant's possession of the Demised Premises so long as Tenant is not in default hereunder, as evidenced by a subordination and non-disturbance agreement signed by said holder which agreement may include (a) the conditions contained in Section 24(e) of this Lease, (b) a requirement that said holder be given notice and opportunity to cure a landlord default and (c) other provisions customarily required by lenders. Tenant shall promptly execute such a subordination and non-disturbance agreement upon Landlord's request.

2. Construction of Demised Premises.

(a) Notwithstanding the provisions of Section 17 of this Lease, Landlord shall be responsible for the cost of the construction of the portion of the Improvements designated as office improvements, which shall include restrooms and break rooms whether or not attached to the office space (collectively, the "Office Improvements") only up to an amount equal to \$499,936 (the "Tenant Allowance"). Prior to commencement of construction of the Office Improvements, Landlord shall provide to Tenant a Work Order Agreement setting forth the amount of the hard costs of the Office Improvements, together with an administrative and coordination fee charged by Landlord against the Tenant Allowance equal to five percent (5%) of the total cost to complete the design, permit process and construction of the Office Improvements. Tenant shall have five (5) business days after receipt of the Work Order Agreement in which to review and to give to Landlord written notice of its approval of the Work Order Agreement or its requested changes to the plans and specifications for the Office Improvements in order that the cost of the Office Improvements may be revised. If Tenant fails to approve or request changes to the Work Order Agreement within five (5) business days after its receipt thereof, then Tenant shall be deemed to have approved the Work Order Agreement and the same shall thereupon be final. If Tenant requests any changes to the Work Order Agreement, Landlord shall make those changes which are reasonably requested by Tenant and shall within ten (10) days of its receipt of such request submit the revised portion of the Work Order Agreement to Tenant. In no event shall the cost of constructing the demising walls between the Office Improvements and the remaining portion of the Building not leased by Tenant be included in the calculation of the cost of the Office Improvements. In the event the Work Order Agreement, as approved (or deemed approved) by Tenant provides that the construction of the Office Improvements will cost in excess of the amount of the Tenant Allowance, Tenant agrees to pay such excess amount within ten (10) calendar days following Substantial Completion of the Office Improvements. Failure by Tenant to make such payment to Landlord shall be a default hereunder. If Tenant does not use the full amount of the Tenant Allowance, the difference between the amount of the Tenant Allowance actually used and the full Tenant Allowance is hereinafter referred to as the "Allowance Savings". Landlord shall, at its option either (a) credit the amount of the Allowance Savings against Tenant's first installment of Base Rent or (b) pay the amount of the Allowance Savings directly to Tenant within a reasonable amount of time following Landlord's determination of the amount of such Allowance Savings.

(b) For purposes of this Special Stipulation, the cost of the construction of the Office Improvements shall be deemed to include, but not be limited to, the cost of the Plans and Specifications related to the Office Improvements, permits related solely to the Office Improvements and all tenant build-out related to the Office Improvements, including, without limitation, demising walls (other than demising walls between the Office Improvements and the remaining portion of the Building not leased by Tenant), utilities, and portions of the heating, ventilating and air conditioning system servicing the Office Improvements.

3. **Right of First Offer to Lease.** So long as the Lease is in full force and effect and no Event of Default has occurred and is then continuing and no facts or circumstances then exist which, with the giving of notice or the passage of time, or both, would constitute an Event of Default, Landlord hereby grants to Tenant a right of first offer (the "Right of First Offer") to expand the Demised Premises to include that 40,500 square foot area labeled on Exhibit A attached hereto (the "Offer Space") subject to the terms and conditions set forth herein.

(a) Tenant's and any guarantor's then current financial condition, as revealed by its most current financial statements (which shall include quarterly and annual financial statements, including income statements, balance sheets, and cash flow statements, as required by Landlord), must demonstrate either that each of Tenant's and such guarantor's net worth is at least equal to its net worth at the time the Lease was signed; or that Tenant and such guarantor otherwise meet financial criteria acceptable to Landlord.

EFL 08/2007

(b) The term of the Right of First Offer shall commence on the Lease Commencement Date and continue throughout the Initial Term (the "First Offer Period"), unless sooner terminated pursuant to the terms hereof.

(c) Subject to the other terms of this Right of First Offer, after any part of the Offer Space has or will "become available" (as defined hereinafter) for leasing by Landlord, Landlord shall not, during the term of the Right of First Offer, lease to a third party that available portion of the Offer Space (the "Available Offer Space") without first offering Tenant the right to lease such Available Offer Space as set forth herein.

(i) Space shall be deemed to "become available" when Landlord desires to lease all or a portion of the Offer Space.

(ii) Notwithstanding subsection (i) above, Offer Space shall not be deemed to "become available" if the space is (a) assigned or subleased by the current tenant of the space; or (b) re-let by the current tenant or permitted subtenant of the space by renewal, extension, or renegotiation or (c) leased on a temporary basis for a period of less than twelve (12) months without any right to extend.

(d) Consistent with subsection (c), Landlord shall not lease any such Available Offer Space to a third party unless and until Landlord has first offered the Available Offer Space to Tenant in writing (the "Offer", the date of presentation of such Offer shall hereinafter be referred to as the "Offer Date"). The Offer shall contain (i) a description of the Available Offer Space (which description shall include the square footage amount and location of such Available Offer Space) and an attached floor plan that shows the Available Offer Space; (ii) the date on which Landlord expects the Available Offer Space to become available; (iii) the base rent for the Available Offer Space; and (iv) the term for the Available Offer Space (which shall be no less than the remainder of the Term of this Lease then in effect). Upon receipt of the Offer, Tenant shall have the right, for a period of five (5) calendar days after receipt of the Offer, to exercise the Right of First Offer by giving Landlord written notice that Tenant desires to lease the Available Offer Space at the base rent and upon the special terms and conditions as are contained in the Offer.

(e) If, within such five (5)-day period, Tenant exercises the Right of First Offer, then Landlord and Tenant shall amend the Lease to include the Available Offer Space subject to the same terms and conditions as the Lease, as modified, with respect to the Available Offer Space, by the terms and conditions of the Offer. If this Lease is guaranteed now or at anytime in the future, Tenant simultaneously shall deliver to Landlord an original, signed, and notarized reaffirmation of each Guarantor's personal guaranty, in form and substance acceptable to Landlord.

(f) If, within such five (5)-day period, Tenant declines or fails to exercise the Right of First Offer, Landlord shall then have the right to lease the Available Offer Space in portions or in its entirety to a third party, unrelated to and unaffiliated with Landlord, at any time within twelve (12) months after the Offer Date, without regard to the restrictions in this Right of First Offer and on whatever terms and conditions Landlord may decide in its sole discretion, provided the base rent (as adjusted to account for any changes in the tenant improvement allowance), additional rent and any rent concessions are not substantially more favorable to such tenant than those set forth in the Offer, without again complying with all the provisions of this Right of First Offer. In the event Landlord does not lease the Available Offer Space to a third party within twelve (12) months after the Offer Date, Landlord shall thereafter be required to again comply with the provisions of this Special Stipulation 3 prior to leasing the Available Offer space to a Third Party.

(g) If Landlord does lease all or any portion of the Available Offer Space to such a third party after complying with the terms and conditions of this Right of First Offer, then the Right of First Offer shall terminate, and Tenant shall have no further Right of First Offer.

(h) If Landlord desires to lease the Available Offer Space at a base rent rate substantially less than the base rent rate set forth in the Offer (provided, that if the base rent rate is at least ninety percent (90%) of the base rent rate set forth in the Offer, said base rent rate shall be conclusively deemed to be not substantially less than the base rent set forth in the Offer), or if Landlord desires to materially alter or modify the special terms and conditions of the Offer, if any, Landlord shall be required to present the altered or modified Offer to Tenant pursuant to this Right of First Offer, in the same manner that the original Offer was submitted to Tenant.

(i) This Right of First Offer is personal to Wireless Retail, Inc. and shall become null and void upon the occurrence of an assignment of Tenant's interest in the Lease or a sublet of all or a part of the Demised Premises.

(j) This Right of First Offer shall be null and void if Tenant is a holdover Tenant pursuant to Section 30(c) of the Lease at the time Landlord is required to notify Tenant of the Offer or at the time Tenant exercises its Right of Offer.

4. Option to Extend Term.

FEB 08 2009

FEB
08
2009

(a) Landlord hereby grants to Tenant two (2) consecutive options to extend the Term for a period of five (5) years each time, each such option to be exercised by Tenant giving written notice of its exercise to Landlord in the manner provided in this Lease at least one hundred eighty (180) days prior to (but not more than two hundred ten (210) days prior to) the expiration of the Term, as it may have been previously extended. No extension option may be exercised by Tenant if an Event of Default has occurred and is then continuing or any facts or circumstances then exist which, with the giving of notice or the passage of time, or both, would constitute an Event of Default either at the time of exercise of the option or at the time the applicable Term would otherwise have expired if the applicable option had not been exercised.

(b) If Tenant exercises its options to extend the Term, Landlord shall, within thirty (30) days after the receipt of Tenant's notice of exercise, notify Tenant in writing of Landlord's reasonable determination of the Base Rent for the Demised Premises for the applicable five (5) year option period (including any space added thereto pursuant to Special Stipulation 3), which amount shall be based on the greater of (i) the market rate for such space or (ii) the Annual Base Rent rate to be in effect immediately prior to the commencement of such option period. Tenant shall have thirty (30) days from its receipt of Landlord's notice to notify Landlord in writing that Tenant does not agree with Landlord's determination of the Base Rent and that Tenant elects to determine the Prevailing Market Rate (as defined and calculated below). If Tenant does not notify Landlord of such election within thirty (30) days of its receipt of Landlord's notice, Base Rent for the Demised Premises for the applicable extended term shall be the Base Rent set forth in Landlord's notice to Tenant. The phrase "Prevailing Market Rate" shall mean the then prevailing market rate for base minimum rental calculated on a per square foot basis for leases covering buildings comparable to the Building (as adjusted for any variances between such buildings and the Building) located in the area of Southaven, Mississippi (hereinafter referred to as the "Market Area"). The Prevailing Market Rate shall be determined by an appraisal procedure as follows:

In the event that Tenant notifies Landlord that Tenant disagrees with Landlord's determination of the market rate and that Tenant elects to determine the Prevailing Market Rate, then Tenant shall specify, in such notice to Landlord, Tenant's selection of a real estate appraiser who shall act on Tenant's behalf in determining the Prevailing Market Rate. Within twenty (20) days after Landlord's receipt of Tenant's selection of a real estate appraiser, Landlord, by written notice to Tenant, shall designate a real estate appraiser, who shall act on Landlord's behalf in the determination of the Prevailing Market Rate. Within twenty (20) days of the selection of Landlord's appraiser, the two (2) appraisers shall render a joint written determination of the Prevailing Market Rate, which determination shall take into consideration any differences between the Building and those buildings comparable to the Building located in the Market Area, including without limitation age, location, setting and type of building. If the two (2) appraisers are unable to agree upon a joint written determination within said twenty (20) day period, the two appraisers shall select a third appraiser within such twenty (20) day period. Within twenty (20) days after the appointment of the third appraiser, the third appraiser shall render a written determination of the Prevailing Market Rate by selecting, without change, the determination of one (1) of the original appraisers as to the Prevailing Market Rate and such determination shall be final, conclusive and binding. All appraisers selected in accordance with this subparagraph shall have at least ten (10) years prior experience in the commercial leasing market of the Market Area and shall be members of the American Institute of Real Estate Appraisers or similar professional organization. If either Landlord or Tenant fails or refuses to select an appraiser, the other appraiser shall alone determine the Prevailing Market Rate. Landlord and Tenant agree that they shall be bound by the determination of Prevailing Market Rate pursuant to this paragraph. Landlord shall bear the fee and expenses of its appraiser; Tenant shall bear the fee and expenses of its appraiser; and Landlord and Tenant shall share equally the fee and expenses of the third appraiser, if any.

Notwithstanding anything to the contrary contained herein, in the event the Prevailing Market Rate as determined herein is less than the Annual Base Rent to be in effect immediately prior to the commencement of such option period, the Base Rent during the applicable extension Term shall equal the Annual Base Rent in effect during the last year of the Term.

(c) Except for the Base Rent, which shall be determined as set forth in subparagraph (b) above, leasing of the Demised Premises by Tenant for the applicable extended term shall be subject to all of the same terms and conditions set forth in this Lease, including Tenant's obligation to pay Tenant's share of Operating Expenses as provided in this Lease; provided, however, that any improvement allowances, termination rights, rent abatements or other concessions applicable to the Demised Premises during the initial Term shall not be applicable during any such extended term, nor shall Tenant have any additional extension options unless expressly provided for in this Lease. Landlord and Tenant shall enter into an amendment to this Lease to evidence Tenant's exercise of its renewal option. If this Lease is guaranteed, it shall be a condition of Landlord's granting the renewal that Tenant deliver to Landlord a reaffirmation of the guaranty in which the guarantor acknowledges Tenant's exercise of its renewal option and reaffirms that the guaranty is in full force and effect and applies to said renewal.

5. Tenant's Early Occupancy. If and to the extent permitted by applicable laws, rules and ordinances, Tenant shall have the right to enter the portion of the Demised Premises shown on Exhibit "A-1" attached hereto and incorporated herein (the "First Entry Space") on the date which is the later of (a) July 1, 2003 or (b) the twenty-fifth (25th) day following the Approval Date (as defined in Section 17 of this

Lease) (such date of early entry to be referred to as the "First Entry Date") in order to install and test equipment including but not limited to racking, conveyor systems, network cable, and computer and telephone equipment and otherwise prepare the First Entry Space for occupancy; provided however, that the First Entry Date shall be postponed by one (1) day for every day of Tenant Delay or delay caused by force majeure (collectively, "Excused Delay"). Further, if and to the extent permitted by applicable law, rules and ordinances, Tenant shall have the right to enter the portion of Demised Premises shown on Exhibit "A-2," attached hereto and incorporated herein (the "Second Entry Space") on the date which is the thirtieth (30th) day following the First Entry Date (the "Second Entry Date") in order to install and test equipment including but not limited to racking, conveyor systems, network cable, and computer and telephone equipment and otherwise prepare the Demised Premises for occupancy; provided that the Second Entry Date shall be postponed by one (1) day for every day of Excused Delay. The provisions of this Special Stipulation Number 5 are subject to the following: during any period of early entry, (i) Tenant shall comply with all terms and conditions of this Lease other than the obligation to pay Base Rent, (ii) Tenant shall not interfere with Landlord's completion of the Demised Premises, (iii) Tenant shall not begin operation of its business and (iv) Tenant shall be responsible for payment of all costs and charges for gas, steam, electricity, fuel, light, power, telephone, heat and any other utility or service used or consumed by Tenant or Tenant's agents or employees (but not by Landlord or Landlord's agents or contractors in Landlord's completion of the Improvements pursuant to Section 17 of this Lease) in or servicing the Demised Premises during such period of early entry. Landlord and Tenant agree to cooperate with one another and to cause their respective employees, agents and contractors to cooperate with one another to coordinate any work being performed by Landlord and/or Tenant during the early occupancy period.

In the event that Landlord does not allow access to Tenant of the First Entry Space by the First Entry Date or the Second Entry Space by the Second Entry Date, as extended by Excused Delay (each day after the First Entry Date or Second Entry Date for which Landlord does not grant Tenant access to the applicable space shall be hereinafter referred to as a "Day of Delay"), from and after the Base Rent Commencement Date, Tenant shall receive a credit against Base Rent equal to one day of Base Rent for each Day of Delay until said credit is fully realized by Tenant, as its sole remedy.

6. Building Compliance with Laws. Landlord represents and warrants to Tenant that, to Landlord's actual knowledge, the design and construction of the Improvements in accordance with the Plans and Specifications will materially comply with all applicable federal, state, county and municipal laws, ordinances and codes in effect as of the Lease Date, excepting therefrom any requirements related to Tenant's specific use of the Demised Premises. Further, subject to the last sentence hereof, Landlord, at its sole cost and expense, shall be responsible for causing the Improvements to comply with Title III of the Americans With Disabilities Act of 1990 (the "ADA"), or the regulations promulgated thereunder (as said Title III is in effect and pertains to the general public), as of the Lease Commencement Date. During the Term, Tenant hereby agrees that it shall be responsible, at its sole cost and expense, for (a) causing the Building, the Building Common Area and the Demised Premises to comply with Title III of the ADA as a result of (i) any special requirements of the ADA relating to accommodations for individual employees, invitees and/or guests of Tenant and (ii) any improvements or alterations made to the Demised Premises by Tenant, and (b) complying with all obligations of Tenant under Title I of the ADA.

7. Road Access. Landlord represents and warrants to Tenant that, as of the First Entry Date, Tenant will have temporary access to Hamilton Road for purposes of ingress and egress to and from the Building and that, as of the Lease Commencement Date, Tenant will have permanent access to Hamilton Road for such purposes.

8. Additional Operating Expense Exclusions.

The following items shall be excluded from Operating Expenses:

- a. Expenditures for capital improvements except as expressly allowed under the Lease;
- b. Tenant improvements expenses for other tenants of the Building;
- c. The cost of any work performed for, or equipment furnished to, any tenant of the Building to the extent performed for, or furnished to Tenant;
- d. The cost of any repair in accordance with the casualty and condemnation sections of this Lease to the extent covered by insurance or condemnation proceeds;
- e. Any expenses for repairs and maintenance which are actually covered by warranty;
- f. Charges for electricity, steam and other utilities which are separately reimbursed by any tenant;
- g. Interest and penalties due to late payment of any amount owed by Landlord, except as may be incurred as a result of Tenant's failure to timely pay its portion of such amounts or as a result of Landlord's contesting such amounts in good faith; and
- h. The cost of correcting defects covered by Landlord's warranty contained in Section 17(c) of this Lease, within such warranty period.
- i. Management fees, royalties or other fees charged for the management of the Property in excess of 3 1/2% per annum.

9. Inspection Rights.

- a. Landlord's books and records pertaining to the calculation of Operating Expenses for any calendar year within the Term may be inspected by Tenant (or by an independent certified accountant) at

Tenant's expense, at any reasonable time within sixty (60) days after Tenant's receipt of Landlord's statement for Operating Expenses; provided that Tenant shall give Landlord not less than fifteen (15) days' prior written notice of any such inspection. If Landlord and Tenant agree that Landlord's calculation of Tenant's share of Operating Expenses for the inspected calendar year was incorrect, the parties shall enter into a written agreement confirming such error and then, and only then, Tenant shall be entitled to a credit against future Base Rent for said overpayment (or a refund of any overpayment if the Term has expired) or Tenant shall pay to Landlord the amount of any underpayment, as the case may be. If Tenant's inspection proves that Landlord's calculation of Tenant's share of Operating Expenses for the inspected calendar year resulted in an overpayment by more than fifteen percent (15%) of Tenant's share, Landlord shall also pay the reasonable fees and expenses of Tenant's independent professionals, if any, conducting said inspection.

b. All of the information obtained through Tenant's inspection with respect to financial matters (including, without limitation, costs, expenses, income) and any other matters pertaining to Landlord, the Demised Premises, the Building and/or the Project as well as any compromise, settlement, or adjustment reached between Landlord and Tenant relative to the results of the inspection shall be held in strict confidence by Tenant and its officers, agents, and employees; and Tenant shall cause its independent professionals and any of its officers, agents or employees to be similarly bound. The obligations within this subsection (b) shall survive the expiration or earlier termination of the Lease.

10. Contesting of Taxes. If Landlord does not elect to contest real estate taxes applicable to the Building and the Building Common Area for a particular tax period during the Term, Tenant may request that Landlord contest such taxes by written notice to Landlord given, if at all, within sixty (60) days following Tenant's receipt of the statement required to be delivered by Landlord pursuant to Section 6(a) of the Lease covering the tax period in question. Landlord may then elect either to contest such taxes or to allow Tenant to so contest such taxes subject to Landlord's reasonable approval of the firm or individual hired to conduct such contest. In either case, Tenant shall be responsible for all costs of contesting such taxes to the extent that said costs exceed the savings realized by such contest. Any resulting savings over and above the cost of such contest shall be distributed on a pro rata basis between Landlord, Tenant and the other tenants of the Building that contributed toward payment of the applicable tax bill. Tenant shall have the right to seek an abatement of real estate taxes and other tax incentives. In the event Tenant receives an abatement or reduction in real estate taxes which is attributable solely to the Demised Premises, any such savings shall be credited solely to Tenant's share of Operating Expenses.

11. Landlord Insurance.

(a) Landlord shall maintain at all times during the Term of this Lease, with such deductible as Landlord in its sole judgment determines advisable, insurance on the "Special Form" or equivalent form on a Replacement Cost Basis against loss or damage to the Building. Such insurance shall be in the amount of 80% of the replacement value of the Building (excluding all fixtures and property required to be insured by Tenant under this Lease).

(b) Landlord shall maintain at all times during the Term commercial general liability insurance with limits at least equal to the amount as Tenant is required to maintain pursuant to Section 8(a)(i) of this Lease.

12. Confidentiality.

(a) Landlord will not disclose any aspect of Tenant's financial statements which Tenant designates to Landlord as confidential except (a) to Landlord's lenders or prospective purchasers or joint venture partners of or with respect to the Property, (b) in litigation between Landlord and Tenant, and/or (c) if required by Law.

(b) Landlord and Tenant agree to hold the terms of this Lease in strict confidence, and will not disclose, except for any disclosure required by Laws, such terms to any person other than the respective partners, directors, officers, employees, attorneys, accountants or financing sources of Landlord and Tenant, without the prior written consent of the other party. Notwithstanding the foregoing, Landlord may disclose any information in public notices required by Laws or otherwise traditionally made by entities similar to Landlord and the financial community.

13. Disclosure of Underlying Title Exceptions; Description of Property. Landlord has provided to Tenant a true and correct copy of its title insurance policy covering the property on which the Building is located, as well as Landlord's most current ALTA survey of such property.
